# Orange Village Community Garden Rules and Regulations

(Updated October 2019)

The Community Garden, consistent with the Codified Ordinances of Orange Village, is under the control of the Service Director. The Service Director is authorized to promulgate the Rules and Regulations governing the use of the Community Garden, subject to the approval by the Mayor. Issues that arise should be taken to the garden committee chairs and who will then consult with the Service Director. A Community Garden Registration form, signature of acceptance of the Rules & Regulations, full payment of required fees and deposits and execution of a Release of all Claims forms must all be completed by a gardener **prior** to that gardener doing any work in the Garden.

## **GARDEN COMMITTEE**

The Orange Village Community Garden governance will consist of the Orange Village Service Director, Garden Coordinator and Assistant Garden Coordinator as well as the following committees:

- Administrative Committee
- Enforcement Committee
- Maintenance Committee
- Communication Committee
- Social Committee

The Mayor or Mayor's designee has authority to make final decisions regarding maintenance, nuisances, and appeals in consultation with the Committee Chairs.

Committee Chairs will be selected at the first Garden Meeting of each calendar year by those present at the meeting. If there is a vacancy in a Committee Chair, it will be filled at the next Garden Meeting by those present at the meeting. If vacancies have not been filled committees will be combined as determined by the Service Director

## **EXPECTATIONS OF GARDENERS**

- All gardeners in good standing are expected to begin planting by June 15
- If planting has not commenced by that date, a letter will be sent to those gardeners indicating to them that they have five (5) days to begin planting or their plot(s) will be reassigned to potential gardeners on the waiting list. If the plot meets the requirements of the "fall cleanup" the gardener will receive their deposit back.
- If there is a legitimate reason to delay the planting process, accommodation can be made at the discretion of the Service Director.
- Control weeds and overgrowth of plot and surrounding paths. Walking paths are not to be blocked or damaged. Weeds shall not be left in the pathways. Dispose of garden waste in designated areas only
- Do not leave hoses charged

- Keep shed neat and return all shared tools to shed daily
- Be respectful of other gardeners' produce
- Lock garden gate upon leaving to ensure garden remains secure
- If you incur a hardship and cannot maintain your plot due to injury or illness, please notify the Enforcement Committee Chair or the Maintenance Committee Chair. An effort will be made to help the gardener with volunteers

### **ENFORCEMENT**

Gardeners that violate any of the above expectations will face the following action at the discretion of the Garden Enforcement Committee Chair, with the support of the Service Director:

- First violation: Notification of infraction with expectation of resolution within **ONE WEEK.**
- Second violation: Notification on continued infraction with expectation of resolution within **THREE DAYS.**
- If infractions are not corrected as outlined above, the appropriate measures will be taken as follows:
  - If the infraction involves weed control or plant overgrowth of the garden plot, the plot will be possibly be sprayed with herbicide and the plot will be covered with a tarp
  - If the infraction involves paths which are not properly maintained, the Service Director will spray the paths with an herbicide.

**Any of the above infractions which are not corrected after two violations or gardeners that have received multiple violation letters will result in the loss of the gardener's deposit and garden and gardener will not be allowed to rent a plot in future years without input of the Garden Enforcement Committee Chair and approval of the Service Director**

- Appeals may be made to the Garden Enforcement Committee Chair who will make a recommendation to the Service Director for enforcement of infractions. The Service Director will have final authority on enforcement of all infractions
