Spring 2018

## GET READY TO PLAY!

Orange Village park has something for everyone! Bring the kids to the playground, shoot some hoops, play sand volleyball or baseball on one of our two baseball fields or practice your golf game on the chipping/putting green. Enjoy a game of pickleball on our new courts (see next page for pickleball clinic information).

Bring your four legged family member to the dog park to run and play with their friends or take a leisurely walk through the park on the paths.

## Employee Spotlight K-9 Deacon

K-9 Deacon is a utility/narcotics dog imported from Germany and is trained in tracking and drug searches. K-9 Deacon performs a variety of tasks, including finding lost children, apprehending dangerous criminals, locating drug-tainted money and concealed narcotics. K-9 Deacon is a valuable asset to the police department because his sense of hearing and smell are superior to humans.

Continuos training on obedience, agility and searching capabilities keeps Deacon proficient in all skills. Collaborative training is done with other local police K-9 units within Northeast Ohio on a regular basis.

Deacon loves to play ball and meet new people. Deacon and his handler, Sgt. Damian Davis, work as a team to assist officers and the general public.

## Let's Play Ball!

Pickleball that is. Rick Dula from USAPA (USA Pickleball Association) will perform a Pickleball Demonstration Clinic on Saturday, May 12 from 2:00--3:30 pm at the new Orange Village Pickleball Court. Come participate in this hands on demonstration of the sport of Pickleball. See it played by experienced players. Try out the various shots used in Pickleball; which include forehand, backhand, the serve, the dink, the lob, and more. Scoring and court positioning will be covered as well. Contact Anna Girardi at 440-498-4400 for more information and to register for this free USAPA event.

## My Daily Call

Orange Village offers a free daily call program for our residents. This program is designed for older adults, disabled persons, those who live alone, or anyone who would appreciate a daily check-in call.

The system will call you every day of the week or any specific day of the week, at the same time. When you pick up the phone, you will hear a voice message. You will then enter a preset code on your telephone so the system knows you are OK. If you fail to pick up the call, the computer immediately notifies the Police Dispatcher and the two emergency contacts you provided. They will then follow up to assure your well-being.

During holidays, vacations or any other time you are away from home a simple call to the Police Department will stop the calls for that period of time. The calls will be made between 7:00 am and 3:00 pm. This service is not intended to take the place of other services such as Lifeline, etc.

Forms can be obtained on our website at [www.orangevillage.com](http://www.orangevillage.com) or at Village Hall. Completed forms need to be returned to Orange Village Hall, 4600 Lander Road, Orange Village, OH 44022, attention My Daily Call. All information will be kept strictly confidential.

We hope those who will benefit from this service will sign up. If you have any questions, please contact Lt. Patrick O'Callahan at 440-498-4401 ext. 5060 between 8:00 am and 4:00 pm Monday through Friday.

Dear Neighbors,

There is a lot going on in the Village of Orange and 2018 is going to be another very busy year for our community. I'd like to update you on some of the bigger projects underway.

**PINECREST:**

Retailers will start to open on Friday, May 18<sup>th</sup> at 10:00am. There will be a series of ongoing openings throughout the summer. New residents will also be moving into the apartments later this spring.

It's been a long time in planning and construction, but, the time has arrived and Pinecrest is finally here.

The Pinecrest developers will be offering group tours for our residents prior to the May opening. If you are interested in seeing behind the scenes during construction, please contact my assistant, Anna Girardi at 440-498-4400.

**CHAGRIN HIGHLANDS SOUTH:**

You have probably noticed the clearing of trees from a large piece of land adjacent to I-271 on the south side of Harvard. This is a Jacobs Group project and is part of the 630 acre Chagrin Highlands development which is located in Orange Village, Beachwood, Warrensville Hts. and Highland Hills. This is a result of an agreement we entered into in the 1980's with those communities and the City of Cleveland. The Harvard Road interchange ramp was the precursor to the intensive development happening around Harvard and Richmond Roads.

The developer is currently doing site work and installing the infrastructure. Orange Place Road will be extended south of Harvard and that will become a four-way intersection.

Currently, this site has been approved for a Drury Hotel, a Coopers' Hawk Winery Restaurant and another unnamed (as of now) restaurant pad.

Eventually, they plan to add 400,000 square feet of office space to that location.

**RECREATIONAL TRAILS:**

The construction of recreational trails meandering through the Village is scheduled to begin in 2018. Over the past 14 months we have been meeting with each resident abutting the trails and getting the engineering and design work prepared.

The project is being paid for by the Pinecrest Development through a \$5,000,000 assessment over 20 years. Once this assessment procedure is completed by council, we will be able to bid the trail project out and start construction later this year.

This is a very exciting project for the Village and has taken many decades to accomplish.

**SPRINGTIME IN ORANGE:**

We have a beautiful community, but, it takes all of us to keep it that way. With springtime, there is always a great deal of litter and repair work that needs to be taken care of at each of our homes. Please help us maintain our high standard of living, our property values and our community by looking around your property and see what you can do to pick-up litter and/or spruce things up.

We are adding amenities to our community park and getting it ready for a great springtime in Orange Village. I look forward to seeing everyone as the weather warms up and we can get outside more.

As always, it is a pleasure and a privilege serving as the Mayor of Orange Village. If you have any questions or concerns, please do not hesitate to contact me or our dedicated staff members.

Yours truly,

Kathy U Mulcahy  
Mayor

**MEET THE MAYOR**  
Tues. April 17<sup>th</sup> - 6:00 pm  
Wed. May 9<sup>th</sup> - 7:00 pm  
Tues. June 5<sup>th</sup> - 6:00 pm

## **EMERGENCY LOCK BOX (KNOX BOX)**

The Orange Village Fire Department is very proud of our average response times. When you call for an emergency we are well below the national average regarding the time it takes for us to make contact with you. However, in certain situations we also understand that some of our residents may need a little extra help when we arrive on scene. The Fire Department has a limited supply of residential Knox Box devices that allow us to access your home if you are unable to answer the door during a medical emergency.

**HOW DOES IT WORK?** A Knox Box is built of heavy gauge metal and is installed on your front door. Basically it looks like a small safe and is large enough to hold your house key. When we respond to your home for a fire or medical emergency, the Fire Department has a master key which can be used to open the Knox Box on your door. Your house key is accessed and we enter the home without having to inflict damage on the door frame or windows. This practice saves time and money as we are not forced to damage your home to gain entry.

**HOW MUCH DOES IT COST?** There is no cost, however, we do collect a \$200.00 deposit which is returned when the Knox Box is no longer needed and returned to the Fire Department.

**HOW DO I GET ONE?** Please download the form from our website, [www.orangevillage.com](http://www.orangevillage.com). Simply click on the "FORMS" tab on the home page screen and select "KNOX BOX RELEASE". Fill in the appropriate blanks, print and sign the form and mail or bring the form to Village Hall. Anna Girardi, Administrative Assistant will process your deposit and notify the Fire Department. We will then arrange to have the Knox Box installed on your home.

**HOW IS IT MOUNTED ON MY HOME?** The Fire Department will first try to simply hang the unit over the top of your door and secure it in place with a wood screw. If this configuration will not work we can discuss other options that may work better. While we make every effort to ensure your door is not scratched please understand that this effort requires the installation of a metal bracket over your door and that some scratches may occur.

**IS MY KEY SAFE IN THIS BOX?** The Knox Box is basically the same type of unit we require on all of our businesses in the Village. To access your Knox Box the firefighter must enter their ID Number on a keypad in the truck or rescue squad. A master key can then be removed to access your box. The unit inside of the truck will continue to flash a bright blue light until the master key is returned and locked into place.

The installation of a residential Knox Box is just another example of how your safety forces in Orange Village go above and beyond when it comes to level of service. For more fire safety tips consider "liking" us on Facebook.

### **Your911 App Update**

Orange Village has a new safety and mass notification system called "Your911". This system has an app for smartphone users that provides your exact location for 911 emergencies.

Residents can download this FREE app available for your Iphone from iTunes and Android phones from Google Play. Search for the Your911 app that has the same logo that is displayed to the right.

Complete the "profile" section of the app and the next time you need to call 911, open the app, click on the EMERGENCY and Your911 will link you to Chagrin Valley Dispatch Center if you are within the boundaries of any member municipality. If you are outside the boundaries, your call will be routed to the nearest dispatch center.

Your911 also offers a mass notification system. Residents MUST register in order to receive notifications. You can register from the app or by clicking on the link on the home page of our website, [www.orangevillage.com](http://www.orangevillage.com).

Your911 app offers other services which are explained in further detail on our website.

# Recycling Opportunities

## CONTAINER RENTAL SERVICE OFFERED

Are you planning Spring projects? Orange Village will drop off an 8 or 10 yard container during the months of April through November (weather permitting) to help dispose of brush, yard waste, construction debris or household debris. You cannot

mix items in the container but you can choose from several different types of materials to dispose. Costs vary depending on the items that will be disposed. Please visit our website at [www.orangevillage.com](http://www.orangevillage.com) for detailed information or contact us at 440-498-4403. Please remember this service is for residents only.

## Metal Recycling Opportunity

A drop-off dumpster is available for ferrous and non-ferrous recyclables. It is located at the Service Department, 4680 Lander Road, by the salt shed and is marked with a sign under the overhang. It is for "Metals only" - no other trash or products.

Not only does the program allow for us to reduce landfill costs, it also earns money for scrap.

## ORDER YOUR LEAF HUMUS TODAY!

Leaf humus is delivered to your home free of charge at the end of May. Requests are honored in the order of receipt while supplies last. One load is approximately 6 yards.

We will deliver one load to each resident, additional loads will be delivered after each requesting resident receives their first load. Please visit our website at [www.orangevillage.com](http://www.orangevillage.com) or call 440-498-4400.
