Community Wide Garage Sale

Gather all your items for our 3rd annual community wide garage sale. Register by June 22nd.

You can participate one day or both days. Visit the website to sign up or contact Anna Girardi at 440-287-5131.

RE-REGISTER FOR CODERED NOTIFICATIONS

Due to the restructuring of the CodeRed system, you must re-register for notifications. Even if you are currently receiving our notifications it is imperative that you re-register so you will continue to receive important information. You can sign up for emergency only or add general notifications. Please make sure to check the appropriate box. The information can be sent via phone, email and text (phone and email are utilized the most). EMERGENCY notifications may include utility outages, water main breaks or police issues. We also send GENERAL notifications concerning other matters such as planned road closures or community events. Please visit our website at www.OrangeVillage.com to sign up or contact Village Hall if you need assistance.

Dear Neighbors,

While we still have months more of winter, our thoughts have already turned to the upcoming warmer weather and all the wonderful activities and events being planned in Orange Village.

It's been particularly gratifying to me to see the extensive usage on our new recreational trails. Watching children on bikes, parents pushing strollers and seeing people walking around our neighborhoods has been exciting. Construction of the remaining trails will take place this year. We'll be celebrating this improvement and all our recreational amenities at a Party in the Park on June 14th. We are combining this event with "Touch a Truck" and are planning lots of fun activities for everyone to enjoy.

Welcome New Council Persons

I welcome our new council persons Brent Silver, Pradip Kamat and Staci Vincent. I am delighted to be working with them as I know they bring great ideas, enthusiasm and dedication to our community governance.

Permanent Park Restroom Update

We are very excited to get started on the construction of a new permanent restroom in our park. We will be extending water lines, electricity, and sanitary sewer lines back to the playground area for a while before the facility can be added. This enhancement was requested by 49.7 % of our residents in our 2014 community survey.

(Re)sign up for CodeRed Notifications

Please go to www.orangevillage.com and (re)sign up for CodeRed. Even if you are already getting our emergency and/or general notification calls, we need you to sign up again. At the end of this year we will have the opportunity to obtain this reverse calling service for free, but we need to collect your phone numbers from scratch again. This transition will save us approximately \$4500/year. Please do it now so you don't miss out on any community information.

Preservation of Greenspace

In our quest to preserve 55 acres at Harvard & Brainard Roads, we have submitted an application to the State of Ohio Biannual Capital Budget. Please contact any/all Ohio State Representatives and Senators and urge them to support this application. At the confluence of two watersheds, this property is environmentally rich and worth preserving. It's called the Chagrin River and Tinker's Creek Headwaters Wetland Protection Project.

50th Anniversary of Earth Day

April 22 marks the 50th anniversary of Earth Day. In 1970, 20 million Americans, 10% of the total population of the United States at the time, took to the streets, parks and auditoriums to demonstrate for a healthy, sustainable environment in massive coast-to-coast rallies.

This year's theme is climate action. Climate change represents the biggest challenge to the future of humanity and the life-support systems that make our world habitable. You can participate by cleaning your yard, planting a tree and reducing your carbon footprint. Every little bit helps!

Once the weather warms up, I look forward to seeing everyone out and about and enjoying all of our community activities, including Movie at the Amphitheater, Party in the Park, Salute to Orange Village or at your neighborhood block parties (please invite me).

Please visit me at an upcoming "Meet the Mayor" where we can chat. My door is always open and I welcome any and all questions and comments.

Yours truly,

Kathy U. Mulcahy, Mayor

MEET THE MAYOR

Wed. March 11 - 7:00 p.m.

Wed. April 1 - 6:30 p.m.

Wed. May 13 - 7:00 p.m.

Wed. June 10 - 7:00 p.m.

LEARN CPR, DOWNLOAD THE APP, SAVE A LIFE!

The Orange Village Fire Department is proud to offer CPR classes free to our residents ages 15 and older. Classes will be held on Saturdays at Orange Village Hall, 4600 Lander Road. All sessions will begin at 10:00 a.m. and will last approximately 3 hours. This is a "friends and family" level class with AED education. Remember that you can make a difference but only if you take the time to learn this basic lifesaving skill.

 **April 18**
 **August 8**

To register online at www.orangevillage.com or contact Village Hall at 440-498-4400.

The classes offered are not certified. If you are looking for Health Care level classes, please contact Lieutenant Eric Strauss at 440-287-5074.

If you are already trained in CPR or after you completed our trainings, please "Help Us to Help Others" by installing the free Pulsepoint app on your smartphone. The Orange Village Fire and Police Departments have been using Pulsepoint, a free app, since 2014 and we are always looking for more trained users to assist. The app will inform any CPR-trained user as part of the front-line responders when someone nearby is suffering from a heart attack.

App users within a quarter mile who have indicated they are trained in cardiopulmonary resuscitation (CPR) are notified if someone nearby is having a cardiac emergency and may require CPR. In addition, they will be advised where the nearest automated external defibrillator (AED) is located. An AED is a portable device that checks the heart rhythm and can deliver an electric shock to restore a normal rhythm if necessary.

ASSISTANCE WITH TRASH /RECYCLE CONTAINERS

If you are having difficulty taking your trash and recycle containers to the street on a weekly basis and are willing to pay a fee to have this accomplished, please contact Anna Girardi at 440-287-5131. Orange Village has obtained names of vendors who provide this service for a fee. The Village does not endorse or investigate any company that offers this service. The Village puts vendors of service in touch with people who require additional service. If any party desires to provide this service for a fee, please contact Anna Girardi at the number above.

ALUMINUM CAN COLLECTION

The Orange Village Fire Department collects aluminum beverage cans for recycling. All profits benefit the

Aluminum Cans for Burned Children Foundation. If you would like to separate these cans from your other recyclables, please pack them in blue plastic bags and drop them off at the Fire Station located at 4600 Lander Road and deposit them in the recycle bins located at the south entrance to Village Hall near the Fire Station.

PLACE ADDRESS ON BOTH SIDES OF YOUR MAILBOX

Orange Village safety forces would like to remind residents that it is very important that your address is displayed on BOTH sides of your mailbox with reflective numbering. This will assist first responders with the ability to find your home during emergency situations.

RITA Reminder

REMINDER: All residents are required to file a 2019 Municipal Income Tax return by April 15, 2020 even if no tax is due. For filing requirements go to www.RITAOhio.com or call 1-800-860-7482. File early and file electronically to avoid the "last minute" stress. The Regional Income Tax Agency (RITA) offers **FREE** e-services and form preparation for filing municipal income tax. Contact RITA at 1-800-860-7482 or visit an office near you. Please contact Treasurer, Dana Kavander at 440-498-4400 with any questions.

Welcome Newly Elected Council Members

PRADIP KAMAT

Pradip is a 25-year resident of Orange Village. He is fortunate to have family members of all ages in this community, including wife, Deborah, children, and grandchildren. Both of their children are graduates of Orange High School. These community connections gave him a strong incentive to keep our community beautiful, family-friendly, and safe. Pradip believes one of the strengths of our community is that many of our children return after college to buy homes and raise their children here. He wants to keep it that way, for all of us.

It is Pradip's goal to put his education and experience to work for Orange Village. Pradip has a long track record of making sound financial and management decisions. As an experienced business leader, Pradip will use the community's tax dollars wisely to ensure that both short term and long term investments benefit the Village.

As a former executive with large corporations, including Swagelok, Keithley, and Rockwell Automation, Pradip was responsible for contract negotiations, financial analysis, business development, sales and marketing. Currently, he is a local business owner, with an office on Chagrin. His company helps American companies market their products in the U.S. and India. Additionally, he serves on the board of a plastic recycling company. Pradip helped this company raise over \$300 million dollars to build its first plant in Ashley, Indiana. His experience in renewable energy and recycling gives him an appreciation for the importance of sustainability and protecting our environment.

Pradip has Master's degrees in Business Administration and Engineering from Case Western Reserve University. Many of you know him because of his volunteer efforts in support of quality candidates for federal, state, and local office and to increase voter registration and turnout. Mr. Kamat appreciates the trust placed in him, by the voters of this community, to serve as an elected official.

STACI ADELMAN VINCENT

Staci Adelman Vincent is honored to serve the wonderful residents of Orange Village and was thrilled to have her husband, attorney Leland Vincent, along with their two sons, Ryan (OHS '19), a freshman at the College of William & Mary, and Caden (OHS '22), by her side at the January 8th swearing-in ceremony.

A 1983 graduate of Orange High School with an Accelerated Master's Degree and Bachelor of Science in Journalism from Northwestern University, Staci is an Emmy Award-winning television correspondent who has covered the White House, Congress, and national and international news stories for stations around the country.

A 20-year resident of Orange Hill Estates, Staci has worked in the Communications Department of the Orange Schools for the past decade earning dozens of public relations awards, including seven "Best of the Best in the State" honors for writing, photography, and social media projects. The youngest Orange High School Hall of Fame Inductee and Past President of the Orange Alumni Association, Staci enjoys performing with the Note-oriety Show Choir and Singing Angels Alumni and has been actively involved in the Northwestern Alumni Association Admissions Council, the Orange Schools PTA, the Orange Senior Center, and the Kiwanis Club of Lander Circle. She has coached competitive drill teams around the country for more than three decades, serving as the OHS Lionettes Coach for four years. Staci also emcees events throughout the community and recently moderated a District-wide panel discussion on the teen vaping epidemic.

Staci looks forward to bridging the conversations between all Community Stakeholders including Village residents, our outstanding schools, the award-winning Pinecrest Development, and Village Administrators as well as expanding our outreach to neighboring communities. She encourages you to reach out to her via email (vincent@orangevillage.com) and looks forward to further connecting with residents through "Trail Talks" beginning in the spring. Staci is eager to build on the relationships that began door-to-door during the campaign and wants you to know that her door always remains open to you.

Building Department News

Spring & summer are always welcomed in Northeast Ohio after a long winter. During those times many think about the projects that they want to accomplish as the weather improves. Among those are possibly a new deck for entertaining, a shed for storing extra items, a change of landscape and grading of the yard or more.

The building department would like to remind everyone that permits may be required for your project. If in doubt, please contact the building department for more information. Permits for construction and inspections of work ensure that homes and businesses are safe, preserved and maintained in good repair. This process helps our community remain a safe and attractive place to live.

Also, the property maintenance program will begin. The inspectors will be looking for violations that include: painting, fallen gutters, junk and debris as well as broken windows. Please remember that the first branch pick-up will be April 20. Branches cannot be placed on the curb until one week prior to the pick-up date. These dates are listed in the newsletter, recycling calendar and on the website.

Recycling Opportunities

CONTAINER RENTAL SERVICE OFFERED

Are you planning Spring projects? For a fee, Orange Village will drop off a 6, 8, 10 or 12 yard container during the months of April through November (weather permitting) to help dispose of brush, yard waste, construction debris or household debris. You cannot mix items in the container but you can choose from several

different types of materials to dispose. Costs vary depending on the items that will be disposed. Please visit our website at www.orangevillage.com for detailed information or contact us at 440-498-4403. Please remember this service is for residents only.

Recycle American Flags

Orange Village Service Department offers a flag drop off box at the recycle center. You may drop your flags off during our HHW/Computer Collection day, the first Friday of every month from 7:00 a.m. to 3:00 p.m. Please place the flags in the specially marked container.

Metal Recycling Opportunity

A drop-off dumpster is available for ferrous and non-ferrous recyclables. It is located at the Service Department, 4680 Lander Road by the salt shed and is marked with a sign under the overhang. It is for "Metals only" - no other trash or products.

Not only does the program allow for us to reduce landfill costs, it also earns money for scrap.

ORDER LEAF HUMUS MARCH 2ND

Leaf humus is delivered to your home free of charge at the end of May. Requests are honored in the order of receipt while supplies last. One load is approximately 6 yards. We will deliver one load to each resident. Additional loads will be delivered after each requesting resident receives their first load. Please visit our website at www.orangevillage.com or call 440-498-4400.
