Spotlight on New Employees

Kevin Oliver

Kevin Oliver joined the Orange Police Department in May, 2021. He graduated from the Cuyahoga Community College Police Academy.

Kevin grew up in Cleveland, Ohio, and graduated from Saint Ignatius High School. Mr. Oliver played on the football team and was the manager of the basketball team at Saint Ignatius High School.

In his free time, he enjoys spending time with family and friends. His favorite activities include fishing, playing video games and attending Cleveland Browns games. GO BROWNS!

Danding Wu

Danding Wu recently joined the Orange Village Finance department in a part-time position. She is responsible for the accounts receivable and payable functions. She also interacts and assists residents directly by answering the main village hall phone line. You may have already spoken to her!

Danding grew up in the Indianapolis area and received her bachelor's degree from Indiana University Kelley School of Business. She mainly worked as an internal auditor for various companies, but her most recent role was a stay-at-home mom.

Danding's family includes her husband Tom, son Isaac, and an Australian shepherd mix named Sadie. Her family has been residents of Orange Village for the past 3 years. Prior to that, she has lived in Chicago, Detroit, Asheville (North Carolina), and Stuttgart (Germany). She is happy to finally set her roots down here in Orange.

Danding had traveled extensively during her previous employment which took her all over the world including over 50 countries. She still hopes to add more countries to her list of travels in the future, especially with her son. When not traveling, Danding is a total homebody who enjoys binge-watching movies and Netflix shows.

WE ARE HERE FOR YOU!

Everyone knows you can count on your safety forces if there is an emergency but we want you to know that "we are here for you". The members of the Fire Department offer many services to our residents including:

🚒 CPR/AED Classes - contact Lt. Strauss at 440-287-5074

🚒 Knox Box/Emergency Access - A box that is installed on your door that only the Fire Department will have access to if you are in need of assistance and can't answer your door.

🚒 Smoke Detector Installation Assistance

The Orange Village Fire Department takes great pride in our community. If you are having a block party, please contact us we would love to stop by and bring a firetruck!

Dear Neighbors,

By the time you read this newsletter, summer will be halfway over. I hope everyone is taking advantage of the warm weather and enjoying all the recreational amenities available in Orange Village. It is great to see so many people utilizing the recreational trails.

ORANGE VILLAGE PARK

Due to high demand for pickleball, we are going to construct a second court for our residents. The permanent restroom building should be arriving soon. We have been preparing the site and are awaiting delivery. The permanent restroom will be a welcome addition to our community park.

ORANGE VILLAGE RECREATIONAL TRAILS

The contractor is working their way through the installation of the trails on Orangewood Drive. We will also be installing a trail from Waterford Court north to Woodmere Village's municipal boundary line. Woodmere Village is constructing a new sidewalk on Brainard Road north to Chagrin Boulevard. This will enable pedestrians a safe route to walk all the way to Chagrin Boulevard via a trail or sidewalk. We estimate the entire project will finally be complete this fall (after 3 seasons of construction!).

WEST ASH LANE

We have contracted for a complete reconstruction of West Ash Lane. The contractor anticipates beginning construction in Mid-August. The work should take approximately 8 weeks. Orange Village will notify affected residents prior to the start of construction.

COFFEE WITH THE CHIEFS

Please join Police Chief Kostura and Fire Chief Wilson for an informal conversation about whatever is on your mind. We will get together on Wednesday, October 13th at 8:00 a.m., at Orange Village Hall, 4600 Lander Road, for coffee and conversation. I hope to see you then.

FIREWORKS

To recognize the end of summer, we have a special treat scheduled for our residents. On Saturday, September 18th at 9:00 p.m., we will offer "Farewell to Summer" Fireworks! Please note that we will offer fireworks only. You will be able to watch the fireworks from your vehicle parked in the Pike Drive or Service Department parking lots or by bringing a chair or blanket and walking to our municipal center parking lot, 4600 Lander Road.

As the world trends back to pre-COVID activities, please remember to remain vigilant and continue to practice good habits for avoiding illness; COVID and otherwise. I urge residents to please, if you have not already done so, get the COVID vaccine. It is safe, free and widely available. This is for everyone's safety. Unless a surge changes the trajectory of our nation's return, we plan to resume community events and activities in 2022.

I always welcome your comments and feedback and look forward to being able to see everyone in person soon.

Yours truly,

Kathy Mulcahy, Mayor

Sign up for Electronic Newsletters

Sign up for Orange Village e-mail newsletters at www.OrangeVillage.com. Bimonthly newsletters provide a great way to stay up to date with everything happening in our community. Information includes events,

scheduled road work or closures, reminders such as holiday trash collection, branch chipping dates, utility company updates and Village information. Don't miss out, sign up today!

SUMMER SAFETY CHECK

The members of the Orange Village Fire Department would like to reiterate some of our past safety tips so that each home within the Village can perform a “Summer Safety Check”. Your safety is literally what defines our job. As we have stated in the past you can “Help Us To Help You” so that we are true partners when it comes to your safety and the safety of those that you love.

Pool Safety

- Supervise constantly: Good supervision means you are able to scan the pool area every 20 seconds and be able to reach the pool in 10 seconds.
- Always check the pool first if a child is missing: Child drowning is often a silent death that alerts no one with splashes or yells for help. Many drowning accidents happen when children have been missing for less than five minutes.
- Empty small wading pools and remove all toys after children are through playing: Infants can drown in just a few inches of water. Floats, balls and other toys may attract children to the pool when it is unattended.

Backyard Safety

- Keep grills at least 10 feet from any structure: Grilling mishaps cause more than 8,300 fires and send 3,000 people to the emergency room each year. Never grill indoors or near garages or porches, even if it's raining.
- Have a spray bottle with water or fire extinguisher handy: An unexpected flare up can burn more than your burgers. Use a spray bottle to avoid flare ups and have a fire extinguisher nearby.
- Avoid placing old coals in garbage can or in debris piles. Day old coals can still prove to be a fire hazard.
- Never use gasoline or kerosene to light a charcoal fire: Both can cause an explosion or lead to severe burns.
- Check gas grill hoses for cracking, holes and leaks: If the tank valve or grill needs repair, do not attempt to do it yourself. Take it to your local home improvement store or qualified appliance repair person.
- In the past month the Chagrin Valley has experienced at least three house fires related to the improper use of grills and propane accessories.

Playground Safety

- Carefully inspect backyard playground equipment: According to the Consumer Product Safety Commission, 70% of all playground-related injuries occur on home playground equipment. Make sure equipment is anchored safely in the ground, all equipment pieces are in good working order, S-hooks are entirely closed and bolts are not protruding.

We hope you are enjoying the summer. If you should have any questions related to home safety please call the Fire Department and ask for Assistant Chief Fritz at 440-498-4402.

CANS FOR BURNED CHILDREN

Orange Village Fire Department collects aluminum beverage cans for recycling. All profits benefit the Aluminum Cans for Burned Children Foundation.

In 1986 the Northern Ohio Fire Fighters, the Northeast Fire Chiefs' Association, along with Metro Health Medical Center of Cleveland began the Aluminum Cans for Burned Children Foundation (ACBC) to help children who suffer severe burn injuries.

If you would like to separate these cans from your other recyclables, please deposit them in the recycle bins located on the south entrance to Village Hall by the Fire Station, 4600 Lander Road.

Do Not Knock Registration

Orange Village Council enacted legislation that allows residents to add their property to a "Do Not Knock Registry". When you sign up for the registry you will receive a sticker that should be displayed on/near your front door. The registry will be kept by the Orange Village Police Department and made available to anyone that requests it as well as all peddlers that register with the police department to go door to door. The registry will advise the person of the properties that do not wish to receive uninvited guests, thus stopping them prior to entering onto your property.

Peddlers are those individuals selling goods or services door to door for profit (e.g. the typical door-to-door salesperson)

Canvassers are those individuals travelling from residence to residence within the Village, without having a previous appointment to visit the residence, for the purpose of disseminating any lawful message (e.g. political, religious, or not-for-profit organization), either with or without soliciting funds or donations.

Please note that canvassers do not have to register with the police department and may not receive the "Do Not Knock Registry" listing. If you have a DO NOT KNOCK sticker a canvasser may approach your home BUT they are not permitted to knock on the door or ring the doorbell. A canvasser may leave literature at or on your door.

It will be a violation of the law for a peddler to knock on the door or ring the doorbell of any property that is registered on the "Do Not Knock Registry". It is also a violation for any canvasser to knock or ring the doorbell of any property that **DISPLAYS** a Do Not Knock sticker that states "Canvassers and Peddlers PROHIBITED".

You can register on our website at www.orangevillage.com. If you have questions regarding this matter or do not have access to a computer, please contact the Orange Village Police Department at 440-498-4401.

Child Car Seat Safety Checks

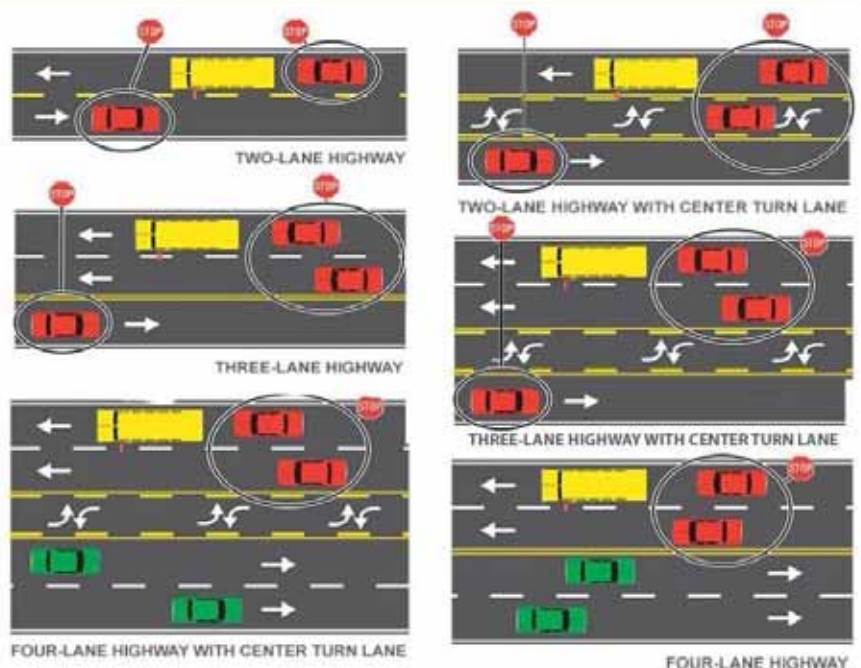

Several members of the Orange Village Police Department are certified child passenger safety seat technicians and will assist residents with the installation of child car seats. Please contact: Sergeant Mike Debeljak (440) 287-5234, Sergeant Jason Marvin (440) 287-5235 or Lieutenant Mike Roberts (440) 287-5233 to make an appointment.

School Bus Safety

Summer break will be ending soon, and the school season will begin. Orange Village Police Department would like to remind you of the applicable vehicle laws when operating near a school bus. Ohio law requires that when the red lights on the bus are flashing, vehicles are to stop at least 10 feet from the front or rear of the bus. The diagram shows when Ohio law requires vehicles to stop when operating near a school bus.

When to stop for a school bus in Ohio

Recycling Opportunities

Branch Chipping

The Orange Village Service Department will be collecting branches and brush on **September 13** (this is the last branch chipping for 2021).

-  DO NOT mix leaves, grass clippings or yard material
-  Limbs should be placed with cut ends toward the road, no more than 2 feet high and 3 feet wide
-  DO NOT make large piles

This service is not intended to chip complete trees or for use by a commercial tree service provider.

Wood Chips

Orange Village delivers wood chips free of charge to residents. An approximate load size is 10 yards. Requests are honored in the order they are received, while supplies last. Place your order online at www.OrangeVillage.com, under the forms tab, or call Village Hall at 440-498-4400.

Paper Shredding

Friday, August 20th 9:00 a.m. - noon
Pepper Pike Service Dept, 28000 Shaker Blvd
Friday, October 15th 9:00 a.m. - noon
Orange Service Dept, 4680 Lander Rd

This free service is for residential shredding ONLY. There is a 5 grocery bag limit. We cannot accept shredding from businesses.

Please contact Village Hall with any questions at 440-498-4400.

Scrap Tire Collection -- Sept. 2 to 15

The Service Department will collect tires that are removed from the rim. You may drop off your tires Monday through Friday from 7:00 a.m. to 3:00 p.m. at 4680 Lander Road.

Computer/Escrap Collection

August 2 through 31 Monday - Friday and First Friday of Every Month

Computer equipment including printers, modems, tablets, cables, cell phones and video games.

Household Hazardous Waste

First Friday of Every Month

Orange Village will accept unwanted oil-based paint, pesticides and other household hazardous waste.

Collections are located at Orange Village Service Department, 4680 Lander Road between 7 a.m. and 3 p.m.

NO LATEX PAINT OR FLUORESCENT BULBS.

Recycle American Flags

Orange Village Service Department offers a flag drop off box at the recycle center. You may drop your flags off during our HHW/Computer Collection day, the first Friday of every month from 7:00 a.m. to 3:00 p.m. Please place the flags in the specially marked container.

Recycle Metal

A drop-off dumpster is available for ferrous and non-ferrous recyclables. It is located at the Service Department, 4680 Lander Road by the salt shed and is marked with a sign under the overhang. It is for "Metals only" - no other trash or products.

Not only does the program allow for us to reduce landfill costs, it also earns money for scrap.

CONTAINER RENTAL SERVICE

Orange Village will drop off a 6, 8, 10 or 12 yard container through November (weather permitting) to help dispose of brush, yard waste, construction debris or household debris. You cannot mix items in the container but you can choose from several different types of materials to dispose. Costs vary depending on the items that will be disposed of. Please visit our website at www.OrangeVillage.com for detailed information or contact us at 440-498-4403. Please remember this service is for residents only.

Heritage Home Program

If your home is 50 years old or older, you can receive technical assistance and may qualify for a low-interest rehabilitation loan. The loan can be used for numerous interior and exterior projects that make your home more comfortable while preserving architectural character. For more information call 216-426-3116 or visit their website at www.heritagehomeprogram.org.

Relearning Recycling

We're all learning about the impact of placing the wrong items in our recycling bins. The world's recycling economy has been reeling from many different factors, including contamination, and recycling properly is more important than ever. Below is a listing of items that can and cannot be recycled. Use this as a guide but remember that when recycling plastics, the rule is bottles and jugs only. A good trick for plastics is the neck or opening must be smaller than the body.

You can view recycling FAQ's, see tips for recycling correctly and much more on the Cuyahoga County Solid Waste District's website at www.cuyahogarecycles.org.

Place these items loose, not bagged, in your recycling cart or bin.

BROKEN CERAMICS

Visit www.CuyahogaRecycles.org to learn where to recycle or dispose of these materials.

TRASH/RECYCLE PICK-UP

We have noticed that residents are not placing their containers out prior to 7:00 a.m. on Monday.

IT IS IMPERATIVE THAT YOUR CANS ARE OUT FOR PICK UP PRIOR TO 7:00 A.M. ON MONDAYS.

Kimble has contracts with many communities and they will not return to pick up a can that was not out on time. Their routes/drivers may change from week to week.

Reporting Power Outages

Please treat all downed lines as live and dangerous, call 9-1-1 or 216-247-7321 to report a downed wire, damaged utility pole or arcing wires.

Stay away from the area; police and fire personnel will respond.

If you have a quick intermittent or full power outage, call the Illuminating Company at 1-888-LIGHTSS (1-888-544-4877) immediately to report the outage. They will provide you with an estimate of the time of repair.

FIREWORKS

SATURDAY, SEPTEMBER 18 AT 9:00 P.M.

Orange Village will offer a fireworks show on Saturday, September 18th at 9:00 p.m. You may view from the comfort of your home, vehicle or bring a chair to Orange Village Municipal Center parking lot, 4600 Lander Road. Pack your snacks (food vendors will NOT be present), bring a chair or blanket and come enjoy the show!

There will be limited parking and no transportation to the Municipal Center.

Pike Drive parking lot will open at 8:00 p.m.

Coffee and Conversations with the Chiefs

Wednesday, October 13 at 8:00 a.m.

Orange Village Hall, 4600 Lander Road

Orange Village residents are invited to join Police Chief Chris Kostura and Fire Chief Bob Wilson at Village Hall, 4600 Lander Road, for coffee, pastries and conversation in an informal setting. This will be an opportunity to meet the chiefs, officers and firefighters that work in your neighborhood.
